

How I Celebrate Christmas

Christmas cookies

I love making christmas cookies. We make the dough. Then roll the dough out cut out as much shapes as we can. Then we then we put them in the oven when we take them out we have to wait for them to cool after that we decorated them with frosting and candy and then they're done. On Christmas we put them on a plate with milk for Santa.

Building a snowman

First it has to snow next you have to get a carrot rocks or coal you also need two sticks if you want a scarf and hat get those then roll three snowballs stack them put a then decorate the snowman and then you have a snowman!

Santa claus

On Christmas eve, Santa comes and gives you presents but he doesn't always give you presents if you're are bad he gives you coal! You have to hang up your stocking and he will give you sweet treats!

Christmas morning

I get to open christmas presents!
